### REDUCE REPLACEMENT COSTS AND SCANNER DOWNTIME

For independent service organizations (ISOs) and in-house teams replacing CT tubes at hospitals and imaging centers, Dunlee's replacement tubes and support services help to reduce replacement costs and scanner downtime.

### EXPERIENCE FOR THE FUTURE

Building on 100+ years of experience, Dunlee's people, products, programs and partnerships have shaped how diagnostic images are made. Dunlee remains at the forefront of medical imaging as an international leader in the research, design, and manufacturing of high-performance CT tubes.
