

DUNLEE

CT REPLACEMENT TUBES

DUNLEE IS YOUR PARTNER OF CHOICE FOR CT REPLACEMENT TUBES

With more than 125 years of experience in innovating X-ray tube technology, Dunlee is a trusted partner for those looking for cost effective solutions paired with outstanding support. As part of Philips Company Group, a Fortune 500 company, we are a reliable long-term partner with the resources to meticulously engineer tubes that are compatible with all selected GE and Siemens CT scanners. For prompt and efficient delivery we have stocking locations in North America, Europe and Asia.

REDUCE REPLACEMENT COSTS AND SCANNER DOWNTIME

Hospitals, imaging centers and service providers turn to Dunlee when they need quality alternatives to OEM replacement tubes. Together with our channel partners, we enable hospitals to cost-effectively maintain scanner uptime with as little interruption as possible, so patients can receive quick diagnoses. We offer flexible pricing options, including volume contracts, so you can choose the best way to optimize your replacement tube budget.
