## **DUNLEE GLASSWARE SOLUTIONS**

Glassware Solutions programs protect providers from unexpected CT tube replacement costs. Dunlee and AllParts Medical offer three programs from which to choose based on your preference for CT tube failure risk.

### **GLASSWARE SOLUTIONS PRO**

- Prevent unexpected CT scanner down time
- For those who prefer proactive CT tube replacement and whose tolerance for scanner down-time is zero
- Ideal for high-visibility equipment that is the radiology department's "workhorse"

### **GLASSWARE SOLUTIONS**

- For those who desire a flat monthly "subscription" fee with no deductibles
- Unlimited CT tube replacements over the life of the contract

### **GLASSWARE SOLUTIONS +**

- Designed for those who prefer a "deductible" when a CT tube is replaced in exchange for lower monthly fees over the life of the contract

## **EXPERIENCE FOR THE FUTURE**

Building on 100+ years of experience, Dunlee's people, products, programs and partnerships have shaped how diagnostic images are made. Dunlee remains at the forefront of medical imaging as an international leader in research, design, and manufacturing of high-performance CT tubes.
